AMENDED AND RESTATED BYLAWS OF COBB ELECTRIC MEMBERSHIP CORPORATION

INTRODUCTION

This introduction is part of the Bylaws of Cobb Electric Membership Corporation (the “Cooperative”). The Cooperative is an organization owned and controlled by its Members, who directly elect its governing body, and who may participate in setting certain policies and making certain decisions. In a cooperative, bylaws set forth rules of governance of the cooperative and describe certain rights and obligations between the cooperative and its members. Bylaws constitute a contract between the Member and the Cooperative which are binding upon applicants, past, present and future Members. These Bylaws may be amended as provided in Article X. All such amendments shall be binding on past, present and future Members.

Throughout these Bylaws, certain words and phrases are used to indicate “defined terms.” A defined term is either set forth in Article XI at the end of these Bylaws (the “Definitions Article”) or, if included within the text, capitalized and enclosed within parentheses and quotation marks following the defined term’s definition when first used. The location where a definition in this form is found is also provided in the Definitions Article. The defined terms are capitalized when used in these Bylaws. (For example, see “Cooperative” in Paragraph 8 of the Definitions Article.)

SECTION 1.04. Exceptions to Membership Procedures and Requirements.

(1) that the Person is automatically a Member and is deemed to consent to being a Member and bound by the Cooperative's bylaws and Service Rules and Regulations as they may be hereafter adopted or amended, upon initially using or requesting to use Electric Service provided by the Cooperative; and

(2) that unless the Person notifies the Cooperative in writing within ten (10) days of the Cooperative providing such notice, that such Person does not consent to being a Member.

SECTION 1.05. Retroactive Membership. Upon discovery that the Cooperative has been furnishing Electric Service to any Person other than a Member, it may cease furnishing such Electric Service unless such Person applies for membership in the Cooperative and complies with the foregoing Membership Procedures and Requirements or becomes a Member pursuant to Section 1.04. The membership shall be effective retroactively to the date on which such Person first began receiving such Electric Service. The Cooperative, to the extent practicable, shall correct its membership records and all related records accordingly.

SECTION 1.06. Obligations of Members and Applicants for Membership. In consideration of the Cooperative providing Electric Service, each Member shall comply with any reasonable requirement of the Cooperative which enhances the Cooperative's ability to provide safe and reliable Electric Service to the Member and other Members and to reduce the cost of same. (c) upon request by the Cooperative, execute and deliver to the Cooperative grants of easement or rights-of-way over, on and under lands owned or leased by or mortgaged to the Member in accordance with such reasonable terms and conditions as the Cooperative may require for the construction, operation, maintenance or relocation of the Cooperative's facilities, lines and equipment;

(d) pay all sums due the Cooperative under the Membership Documents. (When the Member has more than one service connection from the Cooperative, or other indebtedness owed to the Cooperative, any payment may be allocated and credited to the Member's various service connections in whatever manner the Cooperative may determine, regardless of any attempt by the Member to dictate the method of allocation or credit);

(e) have control and total responsibility for all electric wiring, apparatus, equipment and facilities beyond the point where the Cooperative's service wires attach to the Member's service entrance or, if no service entrance exists, the Member's wiring. In this connection, the Member shall be responsible for and shall indemnify the Cooperative, its employees, agents and contractors against death, injury, loss or damage resulting from any defect in or improper use or maintenance of the Member's premises, wiring, apparatus, equipment and facilities receiving or utilizing electric energy;

(f) make available to the Cooperative a suitable site, as determined by the Cooperative, to place the Cooperative's physical facilities for the furnishing and metering of Electric Service and shall permit the Cooperative's authorized employees, agents and independent contractors to have access thereto at all reasonable times safely and without interference from hostile dogs or any other hostile source, for meter reading, bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities and rights-of-way; and

(g) be the Cooperative's bailee of the Cooperative's facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall prevent others from so doing. In the event such facilities are interfered with, impaired in their operation or damaged by the Member, or by any other Person, the Member shall indemnify the Cooperative and its employees, agents and contractors against death, injury, loss or damage resulting therefrom, including but not limited to, the Cooperative's cost of repairing, replacing or relocating any such facilities

and its loss of revenues, if any, resulting from the failure or defective functioning of its metering equipment.

The provisions of this Section shall not be construed to prohibit Members from owning and operating a distributed generation facility providing power to and located on the premises where the Member receives Electric Service, provided that such facility, and its operation, shall comply with the Georgia Cogeneration and Distributed Generation Act (O.C.G.A. § 46-3-50, et. seq.) and such reasonable rules and regulations as may be adopted by the Cooperative to ensure the facility does not adversely impact safety, reliability, and efficiency.

SECTION 1.07. Termination of Membership. A Member's membership in the Cooperative shall terminate upon the Cooperative's transfer to another Electric Service provider of the right to provide Electric Service to such Member and upon satisfaction of all transfer requirements set forth in the Georgia Territorial Electric Service Act. A Member will be deemed to have terminated the Member's membership in the Cooperative upon the occurrence of any one of the following:

- (a) the termination of all Electric Service to a Member at the request of the Member;
- (b) the death or cessation of existence of Member;
- (c) the failure of a Member to cure, within the time required by the Cooperative, any material breach of any of the Member's obligations provided in the Membership Documents.

SECTION 1.08. Rejection and Expulsion. An Applicant may be rejected for membership, and a Member may be expelled from membership, for material breach of any provision of the Member Documents, and pursuant to such other reasonable terms and conditions as may from time to time be adopted by the Board of Directors.

SECTION 1.09. Effect of Withdrawal, Termination and Expulsion. Upon the withdrawal, termination or expulsion of a Member, the membership of such Person shall terminate. Termination of a membership shall not release any Member or the Member's heirs, administrators, executors, successors or assigns from any debts or other obligations due the Cooperative. Upon a Member's termination, the Cooperative, after deducting any amounts owed the Cooperative, shall return without interest any deposit paid by the Member and held by the Cooperative.

ARTICLE II – MEETINGS OF MEMBERS

SECTION 2.01. Annual Meeting. The annual meeting of the Members shall be held on any Saturday during the month of September, of each year at such time and place within the Cooperative's geographic territory as shall be determined by the Board of Directors at

the preceding November Board meeting and designated in the notice of the meeting (“Annual Meeting”). The Annual Meeting shall be for the purpose of electing directors (or reporting on the election of directors), receiving reports covering the previous fiscal year and transacting such other business as may properly come before the meeting. Nothing in these Bylaws shall be construed, however, to authorize the consideration of any matter at an Annual Meeting which, under these Bylaws, the Articles of Incorporation or any provision of law, is required to be, but has not been stated in the notice of the Annual Meeting.

SECTION 2.02. Special Meeting. Special meetings, or a special meeting in lieu of the Annual Meeting of Members, may be called by a majority of the Board of Directors currently in office, or not less than five percent (5%) of the Members of the Cooperative (“Special Member Meeting”). The written request of Members shall:

(a) be contained on one or more pages, each of which must describe the purpose of the Special Member Meeting; and

(b) contain the Member’s or Entity’s Representative dated signature, and adjacent thereto, the signing Member’s printed name and address. Resident Representatives shall not be counted for determining whether a petition contains the required signatures.

Upon submission of a complete and valid request to the Secretary of the Cooperative (the “Secretary”), it shall be the duty of the Secretary to promptly cause notice of such meeting to be given to the Members. A Special Member Meeting may be held at such place within the Cooperative’s geographic territory on such date not sooner than sixty (60), and not more than one-hundred twenty (120), days after the submission of a complete and valid request is received by the Secretary, and beginning at such hour as determined by the Board of Directors and specified in the notice of the Special Member Meeting. If, within thirty (30) days of receiving a complete and valid written request from Members, the Cooperative fails to properly notify the Members of the Special Member Meeting, then a Member signing a written request may reasonably set the time, place and location of the Special Member Meeting and properly notify Members of same. This Bylaw Section may not be amended by the Board of Directors.

SECTION 2.03. Notice of Members’ Meetings. The Cooperative shall provide notice to each Member of record then entitled to vote at an Annual Meeting, stating the place, day and hour of the meeting (and in case of a properly requested Special Member Meeting, the purpose or purposes for which the meeting is called). Such notice shall be provided by mailing a written document not less than fourteen (14) days, nor more than sixty (60) days before the date of the meeting. Notice may also be provided by any reasonable means permitted by Section 7.11 of these Bylaws or by O.C.G.A. § 46-3-263 (or any successor provision) within the same time periods. In computing the time periods for notice, the date of the meeting shall not be counted. The failure of any Member to receive notice of an Annual or Special Member Meeting (collectively “Member Meeting”), which has been

given in accordance with this Section shall not invalidate any action which may be taken by the Members at any such meeting.

SECTION 2.04. Waiver of Notice. Notice of any Member Meeting need not be given to any Member who signs a waiver of notice either before or after the Member Meeting. A Member, a Resident Representative or an Entity Representative, who submits a ballot, or attends a Member Meeting, shall be deemed to have waived notice of and all objections to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when a Member, or the Resident Representative, or the Entity Representative, attends a Member Meeting solely for the purpose of stating at the beginning of the meeting any such objection or objections to the transaction of business.

SECTION 2.05. Record Date.

(a) For the purpose of determining Members entitled to notice of or to vote at a Member Meeting or any adjournment thereof, or in order to make a determination of Members for any other proper purpose, the Board of Directors may provide that the membership books shall be closed for a stated period not to exceed ninety (90) days.

(b) In lieu of closing the membership books, the Board of Directors may fix, in advance, a date as the record date for any such determination of Members (“Record Date”), such date in any case to be not more than ninety (90) days prior to the date on which the particular action requiring such determination of Members is to be taken.

(c) If the membership books are not closed and no Record Date is fixed for the determination of Members entitled to notice of or to vote at a Member Meeting, the date on which notice of the meeting is mailed to all Members shall be the Record Date for such determination of membership or, if such notice is not mailed to all Members on the same date, the date five (5) days prior to the meeting shall be the Record Date for such determination of membership.

(d) When the determination of Members entitled to vote at any Member Meeting has been made as provided in this Section 2.05, such determination shall apply to any adjournment thereof unless the Board of Directors fixes a new Record Date for the adjourned meeting.

SECTION 2.06. Quorum. Attendance in person of at least two hundred and fifty (250) Members of the Cooperative, or persons who represent Members in accordance with Section 2.07 (“Member Representatives”), shall constitute a quorum for any Member Meeting; timely receipt of ballots from at least two hundred and fifty (250) Members (or Member Representatives), or one percent (1%) of those Members authorized to vote (whichever is less), shall constitute a quorum for conducting contested director elections and for other matters submitted to Member vote by written ballot.

A majority of those present may adjourn the meeting from time to time whether or not a quorum is present. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken; and at the adjourned meeting, any business may be transacted that might have been transacted on the original date of the meeting. If a quorum for a matter submitted to a vote by ballot is not achieved on the date and time prescribed for the receipt of ballots, all ballots received shall be destroyed, and another vote shall be conducted as soon as reasonably feasible.

SECTION 2.07. Representation of Members.

(a) An officer of an Entity, an individual having general authority to act for an Entity with respect to obtaining, monitoring and paying for Electric Service from the Cooperative, or other duly-authorized individual who is similarly related to the Entity, shall, unless determined otherwise by the Credentials and Elections Committee, be deemed authorized to vote the membership of such Entity Member (“Entity Representative”).

(b) Unless it is made to appear otherwise by a writing executed by the Member and filed with the Secretary or the Secretary’s designated representative prior to a Member Meeting, any adult then residing at the service address who presents himself or herself to the Secretary or the Secretary’s designated representative at a Member Meeting as a representative of such Member shall, unless determined otherwise by the Credentials and Elections Committee, be deemed authorized to register and act for the Member he or she purports to represent in as full and ample manner as if the Member were present and personally acting at the meeting (“Resident Representative”). The presence of the Member purported to be represented by his or her Resident Representative, when made known to the Secretary or the Secretary’s designated representative, shall, however, thereafter revoke the authority hereby created and only the Member shall then be entitled to act and vote at such meeting.

(c) Except as is expressly provided for in this Section 2.07, no other Person shall have the authority to represent, act or vote for any Member at a Member Meeting.

SECTION 2.08. Registration. In order to participate at a Member Meeting, a Member, a Resident Representative, or an Entity Representative, must register with one or more persons designated by the Board (“Member Meeting Registrar”). Unless determined otherwise by the Credentials and Elections Committee, upon registration, such Member shall be deemed present and authorized to participate in the Member Meeting (“Registered Member”).

SECTION 2.09. Voting. Each Registered Member shall be entitled to only one vote upon each matter submitted to a vote of the Members. Each Member, Resident Representative or Entity Representative may, on appropriate occasion, vote by mail-in ballot, and such other means as may be authorized pursuant to these Bylaws. Whenever a quorum is represented, the affirmative vote of a majority of the Members represented shall be the act

of the membership unless the vote of a greater number is required by the Membership Documents or by law; PROVIDED, however, when a quorum is once present to organize a meeting, the Registered Members present may continue to do business at the meeting or at any adjournment thereof, notwithstanding the withdrawal of enough Registered Members to leave less than a quorum. Matters submitted to a vote by ballot that are not conducted entirely at a Member Meeting shall be decided by the majority vote of the ballots submitted, assuming a sufficient number of valid ballots is received to constitute a quorum.

Voting at any Member Meeting regarding director elections or bylaw amendments shall remain open until such time as (i) any director candidates and bylaw amendment sponsors have had an opportunity to present at the Meeting; and (ii) Members have been afforded a reasonably sufficient time to cast their respective votes.

SECTION 2.10. Campaigning and Rules for Director Elections. The Cooperative is prohibited from using the Cooperative's funds or resources to support or oppose an individual candidate or nominee for director; PROVIDED, HOWEVER, each eligible candidate shall have the right to have included in the Notice of the Annual Meeting biographical information and the candidate's platform, up to a maximum of 900 words, and a photo of the candidate.

SECTION 2.11. Order of Business. The Board of Directors shall determine the agenda and order of business for the Member Meetings.

SECTION 2.12. Member Proposals; Rules for Debate, Statements and Questions. Members desiring to raise any matter for discussion or vote at a Member Meeting are encouraged to contact the Secretary prior to the preparation of notice of the Member Meeting to discuss the most appropriate means of addressing the matter. When possible and appropriate, as determined in the discretion of the Board and the Cooperative's legal counsel, a Member proposal may be included in the notice of the Member Meeting. Members shall be permitted to request a vote of the Members at a Member Meeting on any matter relating to the Cooperative. Such votes may provide a gauge of Member sentiment and shall be considered by the Board as such. However, such votes shall not be binding on the Cooperative, its staff or the Board, unless notice of the proposal was provided as required by these Bylaws, and such proposal also complies with the Cooperative's Articles of Incorporation, these Bylaws and applicable law.

A Member gaining the floor at any Member Meeting may debate, make a statement or pose questions or otherwise command the time of Members for up to five (5) minutes; longer periods of up to five (5) additional minutes shall be permitted if such Member has presented written notice of the subject matter to be addressed to the Cooperative's CEO or Secretary on or before the second Friday in August; PROVIDED, that any time limitation may be waived by the person presiding over the Member Meeting, or by the Chairman of the Board, or by a majority vote of the Members present and voting.

This Bylaw Section 2.12 may not be amended by the Board of Directors.

SECTION 2.13. Credentials and Elections Committee. The Board of Directors shall appoint a Credentials and Elections Committee (“Credentials and Elections Committee”) with the responsibilities and authority set out below. The Credentials and Elections Committee shall consist of an uneven number of Members not less than three (3) nor more than fifteen (15). Credentials and Elections Committee members shall not be Cooperative employees, Directors or candidates for Director or a Close Relative of any of the foregoing persons. In appointing the Credentials and Elections Committee, the Board may consider the equitable representation of the several areas served by the Cooperative. Each Director may nominate at least one (1) member to the Credentials and Elections Committee, who shall serve a term of three (3) years, concurrent with the respective, nominating Director. All nominations shall be made not later than the second Friday in May in any given year, and subsequently approved by a majority of the Directors present and voting at the time of the vote. Any vacancies shall be filled by majority vote of the Directors to serve the remainder of such term. The Credentials and Elections Committee shall appoint its own chairman and secretary.

With respect to a Member Meeting, the Credentials and Elections Committee shall have the authority and responsibility:

(a) to establish or approve and oversee the manner of conducting Member registration and voting;

(b) to rule upon all questions that may arise relating to Member registration, voting and the election of Directors, including, without limitation:

(1) ruling upon any dispute or question concerning the validity of petitions of nomination and written requests for Special Meeting, consistent with section 2.02;

(2) ruling on the eligibility of candidates to be nominated, and to serve on the Board of Directors;

(3) supervising the preparation and distribution of ballots for contested Director elections;

(4) ruling upon any dispute or question concerning the eligibility of any individual who presents themselves at a Member Meeting to register as a Registered Member;

(5) ruling upon any dispute or question concerning the eligibility of any individual who presents themselves at the Member Meeting to vote as a Resident Representative at such Member Meeting;

(6) ruling upon any dispute or question concerning the eligibility of any

individual who presents themselves at the Member Meeting to vote as an Entity Representative at such Member Meeting;

(7) ruling upon all other questions that may arise with respect to the registration of Members;

(8) ruling upon the effect of any ballots or votes irregularly marked or cast;

(9) to select the Election Service Provider, and, if deemed in the best interest of the Cooperative, may recommend multi-year contracts for such Provider.

(c) upon the request of the Board of Directors, to rule upon the eligibility of any sitting Director or candidate for director; and

(d) to serve as arbitrators for any protest relative to whether an individual is qualified to run for director, the registration of Persons as Registered Members, and any ruling or vote count made at a Member Meeting. Such protest must be in writing, signed by one or more Members (“Protestor(s)”), and filed with the Chairman or Secretary of the Credentials and Elections Committee or their designee(s) not later than 5:00 p.m., on the fifth (5th) business day following the adjournment of the meeting in which the voting is conducted. The Credentials and Elections Committee shall be reconvened, after the Chairman’s notice to all affected candidates. The Credentials and Elections Committee shall hear such evidence as is presented by the Protestor(s) and any affected candidate, all of whom may be heard in person, by counsel, or both. The Credentials and Elections Committee shall, within thirty (30) days after such hearing, render its decision. The Credentials and Elections Committee shall act by majority vote and may not act on any matter unless a majority of the Credentials and Elections Committee is present at a meeting. The Credentials and Elections Committee’s arbitration decision on all matters covered by this Section shall be final.

SECTION 2.14. Election Service Provider. In all contested director elections, the Credentials and Elections Committee shall select an independent, experienced vendor to be the Cooperative’s Election Service Provider. The Election Service Provider shall prepare and distribute ballots, maintain such other means of voting as may be authorized by the Credentials and Elections Committee, tabulate all votes cast, verify election results, and provide such other services as the Credentials and Elections Committee shall determine.

SECTION 2.15. Rules of Order. Parliamentary procedure at any Member Meeting shall be governed by the most recent edition of *Robert's Rules of Order*, except to the extent such procedure is otherwise controlled by law, the Articles of Incorporation or these Bylaws, or such other reasonable procedures as prescribed by the Credentials and Elections Committee. Any failure to conduct the meeting in compliance therewith, however, shall

not render invalid any action taken at the meeting unless objection citing such failure is made at the time such action is taken.

ARTICLE III – DIRECTORS

SECTION 3.01. General Powers of Board of Directors. The business and affairs of the Cooperative shall be managed by a Board of nine (9) Directors. All corporate powers of the Cooperative, except such as are by law, the Articles of Incorporation of the Cooperative or by these Bylaws conferred upon or reserved to the Members, shall be exercised by the Board of Directors or under the authority of the Board of Directors. No reduction in the size of the Board shall operate to shorten the term of any incumbent Director.

SECTION 3.02. Geographical Representation. The area served by the Cooperative shall be divided into geographic districts (“Districts”) so as to assure the geographic representation of all Members. The boundaries of the several Districts have been established by a map prepared from the records of the Cooperative and approved by the Board of Directors, and said boundaries may be altered in the same manner when changing conditions warrant. Any change to the geographical composition of the Districts shall require the affirmative vote of not less than two-thirds (2/3) of the Board of Directors. No reduction in the number of Districts shall operate to shorten the term of any incumbent Director.

SECTION 3.03. Tenure and Election. Starting with Board elections in 2014, Directors shall be elected and serve, for a term of three (3) years and until the third succeeding Annual Meeting of the Members after each Director was elected or until their successors shall have been elected and qualified. Elections for director Districts shall be staggered as follows:

- (a) Directors for Districts 1, 6, and 7 shall be elected in 2014;
- (b) Directors for Districts 2, 3, and 9 shall be elected in 2015; and
- (c) Directors for Districts 4, 5, and 8 shall be elected in 2016.

SECTION 3.04. Qualifications of Directors. To be eligible to be a nominee for Director, or to become or remain a Director, a Member must:

- (a) Have the legal ability to enter into a binding contract.
- (b) be a Member of the Cooperative whose *Bona Fide* Residence is within the District to be represented.
- (c) not be a member of, employed by or have a direct financial interest in an enterprise or organization that competes with the Cooperative or contracts with the Cooperative, the Cooperative’s affiliates or other cooperatives of which the Cooperative is a member, except such employment, membership or financial interest which is, in the

judgment of the Directors, excluding the Director in question, so inconsiderable and incidental as not to pose a reasonable prospect of a conflict of interest. A nominee with a direct financial interest in an enterprise or organization that competes with the Cooperative or contracts with the Cooperative shall, however, fully disclose to the Members in the election materials provided to the Members all such interests, and if elected, affirm each year that no such conflict of interest exists.

(d) not be, at the time of the Member's nomination or election or re-election, an incumbent holding an elective public office in connection with which a salary is paid.

(e) not have been, within five (5) years immediately preceding the date of the Annual Meeting in which the directorship is to be voted upon, an employee of the Cooperative, an employee or director of a competing utility or enterprise, a Close Relative of an employee of the Cooperative, or a Close Relative of an employee or director of a competing utility or enterprise. Individuals who were employed as Chief Executive Officer ("CEO") or as a direct report to the CEO are not qualified for directorship at any time;

(f) not have been convicted of, or plead guilty or *nolo contendere* to, a felony;

(g) while serving as a duly elected Director not have failed to attend more than four (4) consecutive meetings of the Board, except when such absence is excused by a vote of the Board of Directors for reasonable cause; and while serving as a duly elected Director not have failed to attend, for any reason, twelve (12) consecutive meetings of the Board; and not have in accordance with Section 3.11, ever been removed as a Director;

SECTION 3.05. Director Term Limits. Directors shall not be eligible to be nominated or elected to serve for more than four (4) full terms as a Director.

SECTION 3.06. Notice of Expiring Director Terms. The Cooperative shall ensure that a notice is provided by any reasonable means permitted by Section 7.11 of these Bylaws delivered to all Members not later than the second Friday in April notifying Members of the name of all Directors whose term of office will expire at the Annual Meeting. Such notice shall also include a description of these Directors' Districts, and direct such Members to information about the requirements for nominating petitions and related deadlines.

SECTION 3.07. Nominations. Members seeking to be nominated for election to the Board must submit a written petition of at least thirty-five (35) or more Members of the Cooperative whose service address is in the same District as the petitioner's service address (the "Nominating Petition"). An incumbent Director is deemed to be nominated as long as they continue to meet the qualifications in Section 3.04 and they notify the Secretary in writing of their intent to run. Nominating Petitions must be submitted to the Secretary on or before the fourth Friday in May, and the Nominating Petition shall:

The Cooperative shall within 5 days post the decision and findings on the Cooperative's website and provide a copy to the Director(s) affected and to the Recall Sponsors.

(1) If the determination that the Recall Petition is valid is made on or after the second Friday in May and before the second Friday in June, the Cooperative shall include in the notice of the Annual Meeting a statement that a valid Recall Petition seeking to remove Director(s) has been submitted to the Cooperative and that a vote on the recall shall occur at the meeting.

(2) If one or more Directors is recalled pursuant to a vote of the membership, the membership may elect a new director to fill the vacancy of the Director(s) removed, provided if the Members fail to do so, the vacancy shall be filled by the Board of Directors within thirty (30) days thereafter.

SECTION 3.13. Failure of Compliance. Failure to comply with any of the provisions of this Article as to the election of Directors, except bad faith or intentional failure to comply, shall not affect the validity of the election of any Directors. In no event shall it invalidate the actions of all or any of the Directors taken thereafter.

For their services as such, Directors shall receive no salary, but may, on a per diem basis, receive such compensation including insurance benefits as are provided for employees, as is fixed by resolution of the Board of Directors. SECTION 4.01. Regular Meetings of Directors. Regular meetings of the Board of Directors may be established by the Board of Directors, and the date, time and place of all such meetings shall be published on the Cooperative’s website not less than fourteen (14) days in advance. No other prior notice to the Directors of such regular meetings is required unless the business to be transacted at such meeting shall require notice, such as the prior notice required for amending these Bylaws. All regular meetings of the Board of Directors shall be held within the Cooperative’s service territory. This Bylaw Section may not be amended by the Board of Directors.

SECTION 4.02. Special Meetings. Special meetings of the Board of Directors may be called by the President, the Chairman of the Board of Directors, or any three (3) Directors. The person or persons authorized to call special meetings of the Board of Directors may fix the time and place for the holding of any special meeting of the Board of Directors called by them, which shall, unless authorized by a majority of the entire Board of Directors, be in any county in which the Cooperative provides electric service. The date, time and place of a special meeting shall be published on the Cooperative’s website not less than five (5) days in advance, unless special circumstances occur and such notice as is reasonable under the circumstances is provided. days' notice, as determined by a two-thirds (2/3rds) majority of the Directors. This Bylaw Section may not be amended by the Board of Directors.

SECTION 4.03. Meeting By Telephone. Unless the majority of the Board agrees otherwise, the members of the Board of Directors, or any committee designated by such Board, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting in this manner shall constitute presence in person at such meeting.

SECTION 4.04. Written Consent. Any action which may be, or is required to be, taken at a meeting of the Board of Directors may be done without a meeting if a written consent setting forth the action so taken is signed by all the Directors and filed with the minutes of the proceedings of the Board of Directors.

SECTION 4.05. Quorum for Meeting of Directors. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. A majority of the Directors present may adjourn the meeting to another time and place without further notice whether or not a quorum is present; PROVIDED, that a Director who, by law or these Bylaws, is disqualified from voting on a particular matter shall not, with respect to consideration of and action upon that matter, be counted in determining the number of Directors in office or present; AND PROVIDED FURTHER that, if less than a quorum is present at a meeting, a majority of the Directors present may adjourn the meeting from time to time, but shall cause the absent Directors to be duly and timely notified of the date, time and place of such adjourned meeting.

SECTION 4.06. Action of Board of Directors. The vote of a majority of Directors present and voting at the time of the vote, if a quorum is present at such time, shall be the act of the Board of Directors unless the vote of a greater number is required by law, the Articles of Incorporation or these Bylaws.

SECTION 4.07. Member Attendance at Board Meetings. Current Members may attend regular monthly meetings of the Board of Directors as well as other meetings of the Board of Directors including committee meetings whenever a quorum of Directors for the transaction of business is present, except for Executive Sessions of such meetings. Such meetings where a quorum of Directors is present, other than Regular Meetings of Directors pursuant to Section 4.01, shall be treated as Special Meetings pursuant to Section 4.02. If the Member wishes to address the Board, the Member must deliver not less than three (3) business days before the meeting to the Cooperative's CEO or Secretary a written notice specifying the issue or issues the Member will address. The Board may adopt reasonable policies to maintain order and govern such meetings. This Bylaw Section may not be amended by the Board of Directors.

After approval, Board meeting minutes shall be made available to Members immediately upon request. Any final action on a matter shall be made in regular session of a meeting and shall be recorded in the official minutes of such meeting. Preliminary authorizations, such as an authorization to conduct a search for property or employees, or to negotiate terms of property acquisitions or employment, or similar Board actions where publication may be improper, or could have a detrimental effect on the Cooperative or its competitive position, shall not need to be taken in regular session and recorded in the minutes until such time as publication is no longer improper, and would have no adverse impact on the Cooperative or its competitive position.

SECTION 4.09. Executive Sessions of Board Meetings. The Board may, in its discretion, exclude any person from a meeting and convene the meeting in Executive Session when appropriate, including, but not limited to, when necessary for the consideration of the following subjects:

(f) matters related to the security of Cooperative assets, including without limitation, issues relating to security of electrical, communications, data or security systems, including, but not limited to, security personnel, security devices, and security audits; and

ARTICLE VI – NON-PROFIT OPERATION

SECTION 6.01. Non-Profit Operation. The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its members.

SECTION 6.02. Patronage Capital in Connection with Furnishing Electric Service-Receipt. In the furnishing of Electric Service, the Cooperative's operation shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis for all its patrons for all amounts received and receivable from the furnishing of Electric Service in excess of operating costs and expenses properly chargeable against the furnishing of Electric Service. All such amounts in excess of operating cost and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. No interest or dividend shall be paid or be payable by the Cooperative on any capital furnished by its patrons.

SECTION 6.03. Patronage Capital – Accounts. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expense. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year, the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron. The Cooperative shall, within a reasonable time after the close of the fiscal year, notify each patron by notification to all patrons of the aggregate amount of such excess with an explanation of how each patron may compute and determine for himself the specific amount of capital so credited to him. Notwithstanding any other provision of these Bylaws to the contrary, the Board of Directors, at its discretion, may allocate capital credits for an individual Member or class of members based upon rates and costs-of-service for that Member or that class of members.

SECTION 6.04. Patronage Capital - Status as Such – Security Interest. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital and shall be held subject to the security interest provided in Section 6.11 below.

SECTION 6.05. Other Patronage Capital - Allocation. All other amounts received by the Cooperative from its operation in excess of costs and expenses may, insofar as permitted by law, be:

(a) used to offset any losses incurred during the current or any prior fiscal year; and

(b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as a part of the capital credited to the accounts of the patrons as herein provided, or if determined by the Board of Directors, designated as permanent, non-allocated capital.

SECTION 6.06. Patronage Capital From Other Organizations. Notwithstanding any other provision of these Bylaws, the Board shall have the power to adopt rules providing for the separate accounting for and procedure for the retirement of such other amounts of capital credited to the accounts of the Cooperative by other organizations in which the Cooperative is a member. Such rules shall, among other things:

(a) establish a method for determining portions of such capital credited to each of the Cooperative's patrons for each applicable fiscal year;

(b) provide for appropriate notification thereof to patrons; and

(c) preclude a general or special retirement thereof prior to actual receipt of such capital by the Cooperative.

SECTION 6.07. Patronage Capital - Dissolution. In the event of dissolution or liquidation of the Cooperative, to the extent that sufficient assets are available:

(a) all debts and liabilities of the Cooperative shall be paid; then

(b) all capital furnished through patronage shall be retired without priority on a pro rata basis; then

(c) any remaining property and assets of the Cooperative shall be distributed, to the extent possible, among the Members and former Members in the proportion which the aggregate patronage of each bears to the total patronage of all Members during the period of the Cooperative's existence.

SECTION 6.08. Patronage Capital – Distribution Prior to Dissolution. If at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patron's accounts may be retired in full or in part.

SECTION 6.09. Patronage Capital – Distribution to Estates or Representatives of Deceased Members. Notwithstanding any other provision of these Bylaws, the Board of Directors, at its discretion, shall have the power, upon the death of any natural person who is a patron, if the legal representatives of such patron’s estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provision of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application and the legal representatives of such patron’s estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby. Terms and conditions applicable to early retirement of capital credits may include, without limitation, the requirement to set-off any debt owed the Cooperative and the reduction of such amount to present value (i.e., deduction of sums designed to reflect the immediate payment of what is a future, contingent right).

SECTION 6.10. Patronage Capital – Assignment. Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or part of such patron’s premises served by the Cooperative unless the Board of Directors, acting under policies of general application, shall determine otherwise.

SECTION 6.11. Cooperative’s Security Interest and Right to Set-Off. Notwithstanding any other provision of these Bylaws, all amounts credited to the capital account of any Member pursuant to this Article, and any other sums held by Cooperative which are payable or may become payable to such Member, and all payments or other distributions thereof, shall be held by Cooperative subject to a security interest in favor of Cooperative therein to secure the payment of all debts of such Member to the Cooperative, whether for Electric Service or otherwise, and may be set off against such debts at the time such debts or distributions would become payable to such Member by the Cooperative.

SECTION 6.12. Patronage Capital Contract with Member. The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

(a) Non-Member Patrons and Non-Member former Patrons shall have none of the rights granted by the Governing Documents to Members, other than the rights to:

(1) be allocated and paid by credit to a Capital account Capital Credits and Affiliated Capital Credits; and

(2) receive retired and refunded Capital Credits and Affiliated Capital Credits; and

(b) Non-Member Non-Patrons shall have none of the rights granted by the Governing Documents to Members.

SECTION 7.02. Reports. The Cooperative shall, within a reasonable time after the close of the fiscal year, prepare reports covering the business of the Cooperative for the previous fiscal year and showing the condition of the Cooperative at the close of such fiscal year. SECTION 7.06. Bank Accounts and Deposits. All funds of the Cooperative shall be deposited from time to time to the credit of the Cooperative in such banks, bankers, trust companies or other depositories as the Board of Directors may select or as may be selected by the Board Officer(s), officer(s), or agent(s) of the Cooperative to whom such power may be delegated from time to time by the Board.

The annual subscription therefore in the amount of One Dollar (\$1.00) or more may be deducted from any funds accruing in favor of such Members so as to reduce such funds in the same manner as with any other expense of the Cooperative.

SECTION 7.14. Partial Invalidity. When reasonably possible, every Bylaw article, section, sub-section, paragraph, sentence, clause or provision (collectively “Bylaw Provision”) must be interpreted in a manner by which the Bylaw Provision is valid. The invalidation of any Bylaw Provision by any Entity possessing proper jurisdiction and authority, which does not alter the fundamental rights, duties, and relationship between the Cooperative and Members, does not invalidate the remaining Bylaw Provisions.

SECTION 7.15. Cumulative Remedies. The rights and remedies provided in these Bylaws are cumulative. The Cooperative or any Member asserting any right or remedy provided in these Bylaws does not preclude the Cooperative or Member from asserting other rights or remedies provided in these Bylaws.

SECTION 7.17. Successors and Assigns. To the extent allowed by law:

- (a) the duties, obligations and liabilities imposed upon the Cooperative or any Member by these Bylaws are binding upon the successors and assigns of the Cooperative or Member; and
- (b) the rights granted to the Cooperative by these Bylaws inure to the benefit of the Cooperative’s successors and assigns.

The binding nature of the duties, obligations and liabilities imposed by these Bylaws upon the successors and assigns of the Cooperative and any Member does not relieve the Cooperative or Member of the duties, obligations and liabilities imposed by these Bylaws upon the Cooperative or Member.

SECTION 7.18. Waiver. The failure of the Cooperative or any Member to assert any right or remedy provided in these Bylaws does not waive the right or remedy provided in these Bylaws. The Cooperative may, in its discretion, elect to waive any obligation applicable to a Member where the Cooperative reasonably believes such waiver is in the best interest of the Cooperative.

SECTION 7.19. Seal. The seal of the Cooperative shall be in such form as the Board of Directors may from time to time determine. In the event it is inconvenient to affix such a seal at any time, the words “Corporate Seal” or the word “Seal” accompanying the

signature of a Board Officer signing for and on behalf of the Cooperative shall be the seal of the Cooperative.

SECTION 7.20. Prohibition on Loans to Directors, Employees and Consultants. The Cooperative shall not have the authority to loan money to any Director, employee or consultant. The foregoing prohibition shall not, however, prohibit advancement of Cooperative-approved travel and other business expenses to be incurred by an individual not more than one (1) month after the date of the advance payment. This Bylaw Section may not be amended by the Board of Directors.

SECTION 7.21. Gender Neutrality; Construction. Whenever the context so requires, the masculine shall include the feminine and neuter, and the singular shall include the plural, and conversely. If any portion of these Bylaws shall be invalid or inoperative, then, as far as is reasonable and possible: (i) the remainder of these Bylaws shall be considered valid and operative; and (ii) effect shall be given to the intent manifested by the portion held invalid or inoperative.

SECTION 7.22. Inspections of records.

Subject to applicable laws, any person who is a member of the cooperative in good standing shall, upon written demand stating the purpose thereof and the books and records sought to be examined, have the right to examine, in person or by agent or attorney, at any reasonable time or times, for any proper purpose, its books and records and, at his own expense, may make extracts therefrom. Any such inspection, however, may be denied or limited upon one or more of the following grounds:

(1) The member refuses to warrant and furnish to the Secretary of the cooperative an affidavit that such inspection is desired for a purpose reasonably related to the business of the cooperative;

(2) The inspection seeks information the release of which would unduly infringe upon or invade the privacy of any person;

(3) The inspection is sought for a dishonest purpose or to gratify mere curiosity, or is otherwise inimical to the lawful interest of the cooperative or is not reasonably germane to the interest of the member as such;

(4) The books and records sought to be inspected deal with information which is privileged, confidential, or proprietary; or

(5) The member refuses to warrant and furnish an affidavit that he has not, within the five years preceding the date of the affidavit, sold or offered for sale and does not now intend to sell or offer to sell any list of members of the cooperative or of any other electric membership corporation, or any list of shareholders of a corporation, and that he has not, within such five-year period, aided or abetted and does not now intend to

aid or abet any other person in procuring any list of members or shareholders for such purpose.

If the cooperative or an officer or agent of the cooperative refuses to permit the inspection, the member demanding inspection may request a hearing before the Board of Directors to show cause why permission should be granted permitting such inspection by the applicant. This Bylaw Section may not be amended by the Board of Directors.

SECTION 7.23. Employment Contracts.

The Cooperative shall not enter into a contract of employment with any Officer, employee, or agent for a term greater than three (3) years. All contracts of employment shall have a provision that should the person contracting with the Cooperative be indicted by a Federal or State Grand jury for the commission of a felony, that employee will be immediately placed on a suspension status and barred entry to Cooperative property until such time that those charges are resolved in a manner which is favorable to that employee. This Bylaw Section may not be amended by the Board of Directors.

SECTION 7.24. Whistleblowers.

The Board of Directors of the cooperative are to maintain a policy to provide an avenue for employees (“Whistleblowers”) to raise concerns about possible improper or illegal activities at the Cooperative such as, but not limited to, incorrect financial reporting and breaches of board policies including the Code of Conduct, and to provide reassurance that Whistleblowers will be protected from reprisals or victimization for filing reports in good faith.

ARTICLE VIII – INDEMNIFICATION AND INSURANCE

SECTION 8.01. Indemnification. The Cooperative shall indemnify each person who is or was a Director, Board Officer, employee or agent of the Cooperative (including the heirs, executors, administrators or estate of such person) or is or was serving at the request of the Cooperative as a Director, Board Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise to the full extent permitted under Sections 46-3-306(b) and (c) of the Georgia Electric Membership Corporation Act or any successor provisions of the laws of the State of Georgia. If any such indemnification is requested pursuant to Sections 46-3-306(b) or (c) of said Act or laws, the Board of Directors shall cause a determination to be made (unless a court has ordered the indemnification) in one of the manners prescribed in Section 46-3-306(e) of said Act or laws as to whether indemnification of the party requesting indemnification is proper in the circumstances because he has met the applicable standard of conduct set forth in §§ 46-3-306(b) or (c) of said Act or laws. Upon any such determination that such indemnification is proper, the Cooperative shall make indemnification payments of liability, cost, payment or expense asserted against him or paid or incurred by him in his capacity as such a Director, Board Officer, employee or agent to the maximum extent permitted by said sections of said Act or laws. The indemnification obligation of the Cooperative set forth

herein shall not be deemed exclusive of any other rights, in respect of indemnification or otherwise, to which any party may be entitled under any other Bylaw provision or resolution approved pursuant to §46-3-306(e) of said Act or laws.

SECTION 8.02. Insurance. The Cooperative shall purchase and maintain insurance at its expense to protect itself and any Director, Board Officer, employee or agent of the Cooperative (including the heirs, executors, administrators or estate of any such person) against any liability, cost, payment or expense described in Section 8.01 of this Article VIII, whether or not the Cooperative would have the power to indemnify such person against such liability.

ARTICLE IX – PROPERTY

(1) If the Board of Directors looks with favor upon any proposal for such sale, lease or lease-sale, it shall first cause three (3) independent appraisers, expert in such matters, to render their individual opinions as to the value of the Cooperative with respect to such a sale, lease or lease-sale and as to any other terms and conditions which should be considered. The three (3) such appraisers shall be designated by the senior Superior Court Judge for the Judicial Circuit encompassing the Cooperative's main office.

(2) If the Board of Directors, after receiving such appraisals (and other terms and conditions which are recommended, if any), determines that the proposal should be submitted for consideration by the Members, it shall first give every Georgia electric membership corporation (which has not made such an offer for such sale, lease or lease-

sale) an opportunity to submit competing proposals. Such opportunity shall be in the form of a written notice to such electric membership corporations, which notice shall attach a copy of the proposal that the Cooperative has already received and a copy of the reports of the three (3) appraisers. Such electric membership corporations shall be given not less than thirty (30) days during which to submit competing proposals, and the actual minimum period within which proposals are to be submitted shall be stated in the written notice given to them.

(3) If the Board then determines that favorable consideration should be given to the initial proposal or any subsequent proposal which has been submitted to it, it shall so notify the Members, expressing in detail each of any such proposals and shall call a Special Member Meeting for consideration thereof, which meeting shall not be held sooner than ninety (90) days after the giving of such notice to the Members; PROVIDED, consideration thereof by the Members may be given at the next Annual Meeting if the Board so determines and if such Annual Meeting is not held sooner than ninety (90) days after the giving of such notice.

(4) Any fifty (50) or more Members, by petitioning the Board not less than thirty (30) days before the date of such Special or Annual Meeting, may cause the Cooperative, with the cost to be borne by the Cooperative, to mail to all Members any opposing or alternative positions which they may have to the recommendation that the Board has made.

The provisions of this subsection (b) shall not apply to a sale or lease-sale to one or more other electric membership corporations if the actual legal or substantive effect thereof is to merge or consolidate with such other one or more electric membership corporations.
