

COBB EMC AT-A-GLANCE

Cobb Electric Membership Corporation (Cobb EMC) was formed in 1938 as an electric utility with 489 residential members and 14 commercial accounts. Today, Cobb EMC serves nearly **200,000 residential and commercial members** in Cobb, Bartow, Cherokee, Fulton, and Paulding counties.

Cobb EMC is consistently recognized for **competitive rates**, commitment to **renewable energy** and **giving back** to the communities it serves. Cobb EMC is one of the largest EMCs in the nation, and the company's wholly-owned subsidiary Gas South is a leading provider of natural gas in the Southeast.

As a not-for-profit, member-owned corporation, Cobb EMC is dedicated to providing members the **best service** at an **affordable price**. We strive to be a good corporate citizen and neighbor, as well as a recognized leader in the utility industry.

Cobb EMC is regulated by a board of nine directors, elected from and by the membership. Members elect directors and approve bylaw changes. Directors work diligently to plan for the co-op's future and assure members' concerns are continually addressed.

Cobb EMC's directors, employees and members each play an important role in the success of the cooperative and are dedicated to fulfilling Cobb EMC's mission and vision.

Our mission

Reliable, safe electricity,
Rate competitive,
Robust governance,
Relevant services,
Recognized employer

Our Way values

Put People First.
Stay Safe.
Innovate.
Own It.

Our cooperative principles

1 Open and Voluntary Membership 

2 Member Control 

3 Member Economic Participation 

4 Autonomy and Independence 

5 Education Training and Information 

6 Cooperation Among Co-ops 

7 Concern for Community 

Cobb EMC at-a-glance

Cobb EMC – \$97.50

EMC average – \$139.12

State average – \$138.07
