

Find the rate plan suited to your energy needs.

EVEN BILL <p>Even Bill is perfect for anyone who wants to pay the same bill amount every month, for 12 months. The amount you pay is recalculated every year based on your energy use habits, and there is no true-up at the end of the 12 months.</p>	FIXED RATE <p>The Fixed rate is ideal for high energy users and those who like simplicity and comfort. You'll pay one low energy rate (per kWh) all year long for the power you use. Fix it and forget it!</p>	NITEFLEX <p>NiteFlex is great for EV owners and those who use power late at night. This time-of-use rate gives you up to 400 kWh of free electricity each month from midnight to 6 a.m. This rate is ideal for anyone who can shift energy use to times of day when</p>	SMART CHOICE <p>Smart Choice is ideal for super energy savers who want to be rewarded with lower electric bills. On Energy Saving Peak days, we'll notify you to conserve energy from 2-7 p.m. Your peak service charge for the year will be determined by your highest energy demand during these hours.</p>	STANDARD <p>The standard rate depends on both the time of year, and how much electricity you use. When you use over 1,000 kWh a month, you will pay a higher rate. Additionally, the rate you'll pay over 1,000 kWh is higher in the summer.</p>
