Bill Amount and Due Date:

Total Amount Due: \$58.00
Payment due on March 19, 2026

Late Payments: Total amount due after March 19, 2026, is \$90.00.

1. Cobb EMC Contact Information

- a. **Website and Phone Number:** Access your account, report an outage or contact Cobb EMC at cobbemc.com or by calling us at 770-429-2100.

2. Account Summary

- a. **Bill Date:** The date your bill was issued and/or printed.
- b. **Service Period:** The dates during which current charges were accumulated.
- c. **Rate:** Your current electric rate. To view all of our lifestyle rate options, visit cobbemc.com/rates.
- d. **Balance Forward:** This includes any charges or adjustments that rolled over from a previous service period.
- e. **Current Charges:** A detailed breakdown of the individual charges that make up your current bill. These charges can include:
- i. **Service Charge:** A fixed amount that covers the cost of providing service to each home. This includes costs such as power lines and line maintenance, customer service, and more.
 - ii. **Peak Service Charge:** The Peak Service Charge recovers the fixed expense to have power available to use and meet your maximum needs during peak hours. The cost is determined by your highest one-hour consumption of energy during peak hours (Cobb EMC will notify you a day before the Energy Saving Peak Day is expected). The peak service charge you set will remain on your bill for 12 months or until a higher peak service charge is set.*
 - iii. **Energy Charge:** The amount you owe for electricity usage for that service period.
 - iv. **Wholesale Power Adjustment:** An adjustment that follows fluctuations related to wholesale power purchase costs.

v. **Total Amount Due:** This includes the amount due during the billing period plus outstanding charges, credits or late fees.

vi. **Other:** State and local taxes, Operation Round Up donations (if applicable) and charges for any other services.

3. Your Billing Information

- a. **Name and Service Address:** The name of the account holder and the address where electric service is provided.
- b. **Account Number:** Unique identifier for the account at this address. Use this account number if you contact Cobb EMC about your account.
- c. **Service Area Director:** Cobb EMC is regulated by a board of nine directors. This is the director that serves your area.
- d. **Back of bill message:** Flip the bill over to see our Message Center. This section will have additional information about your account and announcements from Cobb EMC.

4. Bill Amount and Due Date

- a. **Total Amount Due:** The total amount due for services already used during the service period and the payment due date.
- b. **Flagged Message:** This section will contain the most important billing messages that apply to your account.

**Applies only to accounts on the Smart Choice Rate.*
