

Post Office Box 369
Marietta, Georgia 30061
(770) 429-2100

REQUEST TO PROVIDE POWER TO TEMPORARY SERVICE POLE

(Subdivision Construction)

Requirements

- Temp pole set on lot.
- Temp pole is set and properly grounded in accordance with NESC and Cobb EMC Requirements.
- Meter base is properly installed with 2 ½" conduit and no broken or missing parts.

***Should crews determine the service request is "Unable to Work" for any of the reasons above, a \$125.00 Unnecessary Trip Charge may be assessed.**
