Innovation

We're innovative thinkers when it comes to supplying the power you need. That's why we purchase affordable solar energy. We also make it easy for members who want to do their part for the environment.

Reliability

Our consumers receive power 99 percent of the time. But for those times when uncontrollable circumstances like weather, animals or car accidents cause outages, you can report and view outages at our Outage and Storm Center.

ABOUT US

Cobb EMC is a not-for-profit electric cooperative, which means each person who receives service from Cobb EMC is a consumer-member. Cobb EMC's directors, employees and members each play an important role in the success of the cooperative. Members elect local directors who work diligently to plan for the co-op's future and assure members' concerns are continually addressed.

COMMITMENT TO COMMUNITY

We belong to the communities we serve and work to be a responsible corporate citizen. Local non-profits rely on Cobb EMC's support, and the commitment of our employees who donate their time and talents to the communities in which we – and our consumers – live and work.

HOW WE OPERATE

We operate in accordance with our corporate bylaws and service rules and regulations.

cobbemc.com/bylaws

Upon initially using or requesting to use electric service provided by the cooperative, you consent to be a Cobb EMC member. You must notify Cobb EMC in writing within 10 days if you do not consent.
